

Hello dear students,

as you already know India was a British colony for almost 100 years when **Mahatma Gandhi** led it to independence in 1947. Today you learn about Gandhi's Life.

1. Read the obituary (Nachruf) for Mahatma Gandhi in your books page 40. Then do number 3.

(Für die timeline dürft ihr gern ein kariertes Blatt im Querformat nutzen. Die äußere Form/Schrift sollte den Ansprüchen einer Prüfungsaufgabe gerecht werden!!!)

2. Read the picture story page 41 and answer questions 1 - 3 in full sentences.
3. You find the new words on pages 186/187 starting with: file – murder – copy them into your folder.

You'll find the words on "Quizlet" too.

Bye bye, see you next Tuesday,
S. Schünemann
