

Good morning dear 8a!

Today you're going to

- practice with two **present** tense forms (**simple** vs **progressive**),
- learn a bit more about **California** and
- get to know the difference between **adjectives** and **adverbs** in English.

On Wed 1st April you'll write a test!
(vocabulary „Way in“ and „Station 1“ on pp. 202-203, grammar pp. 166-167, facts about California)

1 Have a look on **page 166** in your book again. Remember

- when you use the both tenses,
- what are the signal words and
- how to make „normal“ sentences (Aussagen), negative sentences and questions.

2 – SB p. 78 /7a, WB p. 60/ 5, WB p. 61 / 6, 7a, b*

3 – Learn some more facts about California in WB p. 69 /1 and WB p. 72 / 1.

4 – Read about the difference between adjectives and adverbs (SB p. 167) carefully!

Write down

- what adverbs have on the end
- what is special about **fast**, **hard**, **good/well** and the verbs **look** (aussehen), **feel** (fühlen), **seem** (scheinen) and **sound** (klingen).

5 – SB p. 79 / 8, WB p. 61 / 8
